DATE OF INFO.

As stated

25X1X

- 1. The following additional information has become available:
  - a. With reference to paragraph 1 of sensitive locations. all stations, bridges and sensitive locations along the route of these trains were heavily guarded by Militia dressed as railroad workers and by Soviet personnel. The railroad guard has been more than doubled. The railroad in the vicinity of the Focsani station is guarded by Soviet and Rumanian personnel. 25X1A
  - With reference to paragraph 2 of the above mentioned suspension of civilian traffic between Timiscara and Campina, Bacau and Ploesti during 15 and 16 June was reported by four informants. One of these informants, stated that civilian traffic was suspended to permit

25X1C

movement of special trains.

25X1A

c. With reference to paragraph 3 of the above mentioned to the field grade officer stated that troop movements toward the Yugoslav and Bulgarian frontiers were passing through Bucharest. He added that he did not believe that the movement was a replacement because the number of troops was too large. He did not know why the movement was taking place but considered it significant.

> This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
